## PROFESSIONAL EXPERIENCE

### First Grade Summer School Teacher

*Gulliver Schools, Marian Krutulis Campus / Summer 2019*

- Will enrich first-grade classroom by suiting students with varied needs accompanied by centers and stations to promote creation, design and innovation.
- Instruct students in reading, writing and math to sustain and further develop foundational skills.
- Incorporate differentiated instruction into all learning activities to promote understanding of all learners.

### Internship- Full Time Third Grade Teacher

*Bel-Aire Elementary School / Spring 2019*

- Educated third-grade students following the Florida Common Core standards.
- Demonstrated interpersonal and professional skills and behavior.
- Maintained an effective knowledge of all learners- Identified and addressed the needs of all learners through respect for individual differences, backgrounds and learning styles.
- Utilized appropriate curricula, instructional strategies and resources to develop and carry out learning experiences.
- Promoted learning by demonstrating accurate content knowledge and addressed student needs through appropriate instructional strategies and assessments.
- Created and maintained a safe learning environment for all students.
- Used "Performance Matters" report to establish data driven differentiated instruction groups to enhance secondary bench mark.
- Worked with ESOL and ESE students daily.

### Lead Counselor for After School Programs

*Gulliver Schools, Marian Krutulis Campus / Fall 2018*

- Managed a team of other counselors to create a productive and safe work environment.
- Responsible for developing and planning afterschool classroom centers that follow the academic Creative Curriculum for grades Pre-K 3, Pre-K 4, and Kindergarten daily.
- Supervised daily collection, transport, and attendance of students enrolled in afterschool enrichment classes, separate from the after school Creative Curriculum Care.
- Monitored and sustained after school materials and supplies needed for all activities.

### Teacher's Assistant

*Gulliver Schools, Marian Krutulis Campus / Summer 2018*

- Assisted lead teacher in the Jump Start summer program for the primary, Pre-K 4 class.
- Organized pre-reading lessons, hands-on math concepts and science experiments at the primary level.
- Facilitated developing students' strong learning skills with the lead teacher.
- Fostered student learning with the "Handwriting Without Tears" Program.
- Integrated the researched-based "Second Step" program, where students learned in-demand skills such as problem solving, self-regulation and empathy.

### Counselor for After School Programs

*Gulliver Schools, Marian Krutulis Campus / Fall 2016 - Spring 2018*

- Followed and monitored the primary level Creative Curriculum centers with students.
- Ensured safety of every child throughout the after-school day.
- Supported communication with students and families.
